II. School Climate

School Safety Plan

This section provides information about the school's comprehensive safety plan.

Date of Last Review/Update	4/20/2006	Date Last Discussed with Staff	4/20/2006
Emergency Card			
<p>Parents are requested to complete an Emergency Card every year. This information is of vital importance to the school program since this information advises the school of who to contact in the event of an emergency. The card also includes who the student can be released to in case of a disaster. In addition the cards are used by the teachers and the office for attendance. It is the parent's responsibility to immediately notify the school of any changes in the data.</p> <p>A school safety plan is revised and adopted each year by the School Site Council. Specific procedures for evacuation of buildings, communication and disbursement of emergency supplies are outlined in an emergency handbook in the office and on the school website. Specific responsibilities are given to adults for supervision of students in a safe location when a disaster occurs. Fire drills and earthquake disaster preparedness are practiced during the school year in cooperation with the local fire and police departments. Staff and parent telephone trees and emergency supplies are updated each year.</p>			
Emergency Procedures for Fox School			
<p>Should an emergency situation (such as an earthquake, chemical spill, power failure, civil disaster, or any other event that interrupts regular school activity) occur while school is in session, Fox's basic response plan will be as follows:</p>			
<p>No student will be dismissed from school unless a parent (or individual previously designated by a parent) comes for him/her.</p>			
<p>No student will be allowed to leave with another person unless that particular person is listed on the student's emergency card in our files. If your child's emergency card is not up to date, please give us correct information.</p>			
<p>We do ask your help in the following areas:</p>			
<ul style="list-style-type: none"> ● Please DO NOT CALL THE SCHOOL We must have the lines open for emergency calls. ● As soon as possible, come to school to pick up your child and any other children for whom you are the emergency card designee. ● Park in designated parking spaces. Leave the driveway clear for emergency vehicles. ● If, at the direction of public officials (fire, police, etc.), the children have been relocated to another site for safety, an announcement will be made on Bay Area radio stations and television. A public information line will also be maintained at the District Office, (650) 637-4800, and the PTA will initiate a telephone tree. ● Be sure you have told your student to follow the directions of school personnel. ● If there is a need to evacuate, we would be at Ralston Middle School. 			
Emergency Procedures for Disaster			
Fire Drill:			
<p>Alarm will automatically be activated in each classroom with corresponding strobe lights. All students and staff will exit rooms to outside corridors and quickly walk to the play field area in single class lines. Teacher will immediately count all students to confirm attendance and location of each student.</p>			
Earthquake:			
<p>Alarm and/or paging system will alert all students and staff to exit and convene on the play field area. Duck and cover exercise will be used in the classrooms before exit. Emergency cards will be used to exit students from the campus. Emergency provisions are available in the emergency shed on the upper playground. Ten gallons of bottled water are available for every 20 students plus a small food supply (crackers, oatmeal bars, etc.) for extended stay in an emergency situation.</p>			
<p>Maps and telephone trees are available for exit and communication of next steps. Emergency procedures are posted on the website for parents' use. Cell phone is available in the principal's office along with emergency cards.</p>			
<p>An emergency binder is kept in the school office. It contains maps for exit, circuit breakers and water main locations as well as emergency numbers and telephone trees.</p>			
Security Levels:			
<p>An all call for "Code 1" indicates that staff needs to be aware of an impending emergency. All students must be accounted for and return to classrooms immediately.</p>			
<p>An all call for "Code 2" indicates a "Lockdown". All staff will immediately lock their classroom doors and account for all students. Students and teachers remain in classroom until further notice.</p>			

School Discipline Practices

This section provides information about the school's efforts to create and maintain a positive learning environment, including the school's use of disciplinary strategies.

The school's goal is excellence for all students in learning a rich, meaning- centered thinking curriculum. High expectations are fostered for each student, and the teachers at Fox School demonstrate a commitment to finding strategies and resources to realize those expectations. All students have access to a challenging and meaningful curriculum, as well as to other school activities that promote student's intellectual, ethical, cultural, emotional, and physical growth. Staff and students recognize and respect each other's achievements, personal accomplishments, and cultural diversity. Students and staff feel safe in an orderly environment that promotes pride and facilitates learning, and that also includes a high level of congeniality among students and staff. The school publishes our discipline code to clearly communicate the importance of an orderly learning environment.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District

III. School Facilities

School Facility Conditions and Improvements

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

<p>Age of Buildings: This school has 20 classrooms, a music room, a library, a multipurpose room, and administrative offices (in 2005-2006). The main buildings were constructed in 1964, and modernized in 2004.</p> <p>Cleaning Standards: The District has adopted cleaning standards for each school, and a copy of these is available in the principal's office. The principal works daily with the custodial staff to develop and implement cleaning practices that ensure a clean and safe school campus.</p> <p>Maintenance and Repair: District maintenance staff, assisted as necessary by outside contractors, keeps the school in good repair. Work orders are completed in a timely manner, and tracked on a computerized system of record keeping, which also allows priority to be assigned to emergency repairs.</p> <p>Complaints and Reports of Conditions Requiring Remedy: Each classroom contains a notice regarding the availability of complaint or report of unsafe condition forms, which can be found in the principal's office. The District uses the Uniform Complaint Process (per Board Policy) in responding to all filed complaints.</p> <hr/> <p>Of the 20 classrooms at Fox, 15 classrooms are used for regular instruction, 2 for county programs, one for science, one for reading and one room is available as extra space to be used as needed. An additional instructional space is used for the Resource Specialist Program.</p> <p>Fox School has approximately 1 computer per each 8 students. These computers are set up in "mini-labs" or pods for students to use. Each teacher has their own computer and printer work station. The library at Fox is automated on-line. Students have access to 4 computers in the library during recesses and lunch time.</p> <p>Modular buildings have been made available for child care services provided by a private agency. Before and after school care provides supervision for students in K-5 five days per week as well as all day on district in-service days and some holidays.</p> <p>In September 1998 every teacher in the District received a computer for both instruction and classroom management. Every staff member received mandated technology training. Every staff member was provided a telephone number and voice mailbox.</p>

VIII. Student Performance

California Standards Tests

The California Standards Tests (CST) show how well students are doing in relation to the state content standards. The CSTs include English-language arts and mathematics in grades 2 through 11; science in grades 5, 8, 9, 10, and 11; and history-social science in grades 8, 10, and 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and proficiency level, including the percent of students not tested, can be found at the CDE Web site at <http://star.cde.ca.gov>. *Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.*

CST Results for All Students -- Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Norm-Referenced Test (NRT)

The norm-referenced test (NRT), currently the California Achievement Test, Sixth Edition (CAT/6), shows how well students are doing compared to students nationally in reading, language, spelling, and mathematics in grades 3 and 7 only. The results are reported as the percent of tested students scoring at or above the national average (the 50th percentile). Detailed information regarding NRT results for each grade level can be found at the CDE Web site at <http://star.cde.ca.gov/>. *Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.*

California Physical Fitness Test Results

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting fitness standards (scoring in the healthy fitness zone on all six fitness standards) for the most recent testing period. Detailed information regarding the California Physical Fitness Test, and comparisons of a school's test results to the district and state levels, can be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/pf/>. *Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.*

IX. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ap/>.

API Ranks -- Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2003-04	2004-05	2005-06
Statewide	9	9	9
Similar Schools	9	3	7

API Changes by Student Group -- Three Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/A" means that the student group is not numerically significant.

State Award and Intervention Programs

This section will contain information about the school's participation in various state intervention and award programs only to the extent these programs were funded for the period addressed by this report.

Adequate Yearly Progress

The federal NCLB act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

AYP Overall and by Criteria

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	Yes	Yes
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	Yes	Yes
Percent Proficient - Mathematics	Yes	Yes
API	Yes	Yes
Graduation Rate	N/A	N/A

Federal Intervention Program

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

X. School Completion and Postsecondary Preparation

Fox is an Elementary school. No data are available for this section

XI. Instructional Planning and Scheduling

School Instruction and Leadership

This section provides information about the structure of the school's instructional program and the experience of the school's leadership team.

Course of Study

- English/Language Arts
- Mathematics
- Science
- History/Social Science
- Visual and Performing Arts
- Physical Education
- Health

Instruction and Support for Special Needs

"Pull-out" programs for students with specialized needs have been scheduled in order to provide an in-depth program for all students.

Support for special needs of students begins with Student Study Teams who, meeting regularly, develop strategies to help students become more successful in school. School resources and services include:

- Referral for Special Education Assessment
- English Language Learners Program
- Gifted and Talented Education (GATE) Program
- SIP (School Improvement Program) funded para-educators
- Special Education programs
- School Psychologist services

School Site Leadership

The school's leadership team composed of the principal and teachers, promote quality instruction by assessing our instructional program on a regular basis. The School Site Council comprised of parents and teachers, works together to create the vision and establish goals for the school. Monthly meetings are held to discuss curriculum and programs that benefit the learning community. This Leadership Team writes the School Improvement Plan, establishes resources for staff development, and approves school programs. All areas of the curriculum are addressed. Teachers participate in grade level and school committees, which design and implement strategies for improving instruction for students. Many of our teachers also participate on District committees.

Instructional Staff Qualifications

All teachers are credentialed by the State of California . All Fox teachers have completed graduate work. All substitutes used by Fox School have passed a qualifying examination administered by the State of California . When a teacher is absent from class, a qualified substitute teacher teaches the class. If a substitute is not available, the class is taught by a credentialed district administrator or a teacher without a regular class assignment. Last year, teachers averaged about 2 days of absence per month. This included illness, in-service training, and other leaves.

Student/Teacher Ratio

K - 3 classrooms have a maximum class size of 20 students. 4th through 5th grades are staffed at a ratio of 27 to 1. With rare exceptions, classes do not exceed 28 students in grades 4 and 5.

Professional Development

This section provides information about the program for training the school's teachers and other professional staff.

Staff development activities are determined through a process which begins with the staff identifying needs that are related to the goals identified in the School Improvement Plan. District-wide needs identified through the "Futures" planning process are also incorporated into the plans for staff development. The calendar and topics for staff development conducted on non-student days are identified in the School Improvement Plan each year. Fox School 's teachers participate in one day of staff development before the students return to school. Three additional staff development days were conducted during the school year and two non-student days were devoted to parent conferences. Some adjusted Wednesdays are also used for staff development.

During these staff development times, teachers received training in:

- a. English Language Arts
- b. Mathematics
- c. Grade Level Teaming
- d. Curriculum Planning for the Year
- e. Physical Education

- f. Curriculum and Instructional Practices
- g. Visual and Performing Arts
- h. Technology
- i. Differentiated Instruction

Individual staff members also participated in additional workshops and training in these areas.

Instructional Minutes

This table displays a comparison of the number of instructional minutes offered at the school to the state requirement for each grade level.

Grade Level	Instructional Minutes	
	Offered	State Requirement
K	39,775	36,000
1	51,225	50,400
2	51,225	50,400
3	51,225	50,400
4	54,530	54,000
5	54,530	54,000

Minimum Days in School Year

This section provides information about the total number of days in the most recent school year that students attended school on a shortened day schedule and the reasons for the shortened day schedule.

The school has a minimum day each Wednesday. These are used for staff development, staff planning, staff meetings, and conferences. Parent conferences are held twice per year. The total minimum days is 47 (36 + 11).
